## Bazaar Success

We were overjoyed with the number of vendors that participated in our annual Holiday Bazaar. This event brings the holiday shopping experience directly to our residents, making it fun and convenient for them to select unique gifts for loved ones. Families had a ball doing last-minute shopping and securing some much-needed stocking stuffers!

Jenna Swann's daughter Ava and Melissa Smith's daughter Der'Miya pose with a surprise visitor—Santa Claus!

Cindy Jennings with the Music for Healing and Transition Program shopped with her mom Ellen Emerson and also provided live harp music during the event.

Trish Humphrey and her mom, Mary Antonelli, get some retail therapy.

CNA Mia joins Ida Pierce on her shopping trip.

# Walking with Purpose

Nearly 3,000 people participated in the Walk at City Stadium.

Our Lady of Hope prepares every year to support the walk for Alzheimer's. This year presented a new venue location for our community, but the mission didn't change. Each year we proudly stand together to raise money and awareness to fight this terrible disease.

Everyone in the universe can get behind the efforts of the Alzheimer's Association!

## Bravery and Remembrance

Our community has been home to many veterans over the years. Our annual pinning ceremony and reception is one way we recognize these amazing men and women. Thank you to Pastoral Counselor

Bob Odom for leading our recent service and for the participation of Serenity Hospice and the JROTC Color Guard from Deep Run High School. A recent trip to the Virginia War Memorial was yet another way for residents and our team to honor the immense sacrifice of veterans.

# Sing a Joyful Noise

Joyful Voices Chorus is a community choir for people with Alzheimer's and dementia and their caregivers. Our very own Alice and Maxine were part of the holiday concert. To show our support, memory care residents were in attendance to cheer them on.
